Compliance & Approvals :

Warranty

This product has a warranty period of 5 Years from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, and removal of the Q.C. date label; installation in an improper working environment or installation not according to the current edition of the National Electric Code. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserves the right to alter specifications without prior notice.

Lumen Disclaimer: Above lumens are net figures, other lumen packages available on request. Wattage will decrease in future with development of more efficient LED sources. The lumen package will remain the same. All Performance figures are + - 10%.

It is the customer's responsibility to ensure product is suitable for specified application.
