The luminaire symbols used in this plan are for identification purposes only. They do not represent rotational direction of the luminaire, nor do they constitute any kind of installation instruction.
It is the installer's responsibility to ensure correct luminaire orientation. Emergency luminaires (where fitted), cables and connection systems are shown for identification purposes only.
This drawing is the property of Microlights Ltd. It is not to be copied, reproduced or used in any way without the written consent of Microlights Ltd.
Figured dimensions are to be taken in preference over those scaled.
All dimensions checked on site prior to commencement of any work or shop drawing.
This drawing is to be read in conjunction with the specification where relevant.
